Dear «First»:

The Guild of Family Service of High Point has supported our agency's programs for nine years through various fundraising events, such as the **Holiday Soirée** and the **Superhero Dash**. Guild members have given generously to these fundraisers, as well as supporting the **Oyster Roast** and the *Families First Annual Campaign*.

This year, we are continuing our giving option called **Guild Bundles of Giving**. This option allows you to **combine your support** of various Family Service fundraisers by making a **single pledge** that may be paid in full or spread out over the course of the year. Some suggested "bundles" are listed on the enclosed sheet, or you can use the "à la carte" menu to create your own. Of course, if you do not elect to participate in Guild Bundles of Giving, you may still choose to support each event individually.

Please take into account your typical annual commitment to Family Service and choose the giving level that is right for you. Use the enclosed sheet to make your pledge to Guild Bundles of Giving, or give online at www.safeandhealthyfamilies.com/hpguild. And, if your employer offers a **gift matching program**, please take advantage of this benefit by submitting your gift to them.

Thank you for your support of the Guild and Family Service of High Point!

Sincerely,

Alicia Hurley
