***BUILDING SAFE AND HEALTHY FAMILIES  
IN THE PIEDMONT TRIAD***

Family Service of the Piedmont is a private nonprofit agency with a mission to *empower* individuals and families to **restore hope**, **achieve stability** and **thrive** through quality support services, advocacy and education.

Each year, the agency reaches more than **20,000** people through its programs and community education. Last year, we directly served **17,000** local children and adults, addressing issues of **domestic violence**, **child abuse**, **mental health** and **financial wellbeing**.

The agency operates two fully accredited **Children's Advocacy Centers** which coordinate the investigation and treatment of child sexual abuse. Last year our CAC's served **411** families, conducting **373** forensic interviews. That's about **1** case of potential child abuse investigated *each day*.

Additionally, Family Service offers a variety of programs and services to assist families in the prevention of child abuse and neglect. We strive to do all we can to help build **safe and healthy families**.
